

I want to try it !

A no-risk, fair dinkum invitation to Australia's banana growers to trial new **Shield Systemic Insecticide™** for control of *Banana Weevil Borer* and *Rust Thrips*.

-  Highly effective control of borers and rust thrips
-  Flexibility and simplicity in application:
stem inject or stem spray – use your existing applicators
-  No more expensive than current standard treatments
-  Shield Systemic Insecticide is a Schedule 5 insecticide

Visit our website or ask your local reseller about **Shield Systemic Insecticide, try some this season and if it does not do what the label says, we will give you your money back.**

[See overleaf for conditions]

SUMITOMO CHEMICAL

**MONEY
BACK
GUARANTEE**
